# SCOTT'S RUN SETTLEMENT HOUSE NEWSLETTER

## THANKSGIVING PROGRAM WRAP UP

Our Thanksgiving program was a huge success this year! We collaborated with local churches, organizations, and individuals in the community to provide Thanksgiving meals to 562 families, comprising over 1,600 individuals. This was accomplished through either a basket filled with Thanksgiving food or a gift card to a local grocery store. Donations amounted to over \$56,000 for this program. We express our sincere gratitude to all of our incredible partners who made this achievement possible!

## CHRISTMAS PROGRAM WRAP UP

We are overjoyed to share that our Christmas program achieved its biggest year yet, bringing delight to 197 families and almost 700 children with gifts. This incredible accomplishment is a testament to the kindness and generosity of our donors, who we extend our heartfelt gratitude to. The program received a total of almost \$60,000 in donations, including monetary and item donations. Thank you for helping us bring hope and happiness to these children and their families.

## UPCOMING PROGRAMS

We are excited to announce our upcoming Easter basket program as part of our seasonal outreach programs. This program aims to provide children in Monongalia County with an Easter basket filled with toys, candy, books, and activities. We will be announcing the sign-up process on our social media pages soon. To register for the program, interested individuals will need to call us. More details to come at the end of January.

## BACKPACK FEEDING PROGRAM UPDATE:

Our backpack feeding program is dedicated to serving nearly 800 children every week in Monongalia County. We provide bags filled with food for the weekend that are distributed by schools to children in need.
